We use Passalacqua coffee, founded in 1948 and run by the same Neapolitan family today and the beans are still roasted a few kilometres from Naples where they first started.

*Traditional coffee pot
from Naples*

*Using gravity rather
than pressure*

THE NEAPOLITAN FLIP

£5.75

*Served in traditional pots from Naples. Boiling water at the base of the pot is flipped to drip through the coffee grounds in the centre using gravity rather than pressure extraction as in an espresso machine. The style is similar to an Americano and can be drunk black or with addition of milk at the table.
Can serve two small cups to share or one long cup.*
